Second Announcement & Call for Abstracts

**August 31, 2018:**  
Deadline for Abstracts

**September 15, 2018:**  
Notification of Acceptance

**September 30, 2018:**  
Deadline for Early Registration  
(End of Early Registration Fee)

**November 2, 2018:**  
Onsite Registration

**SCIENTIFIC TOPICS**

All aspects of radiopharmaceutical sciences, including

- 01 - Radiopharmaceutical Chemistry – C-11 & F-18
- 02 - Radiopharmaceutical Chemistry – Other Radionuclides
- 03 - Radiolabeled Compounds – Oncology, Cardiology, Neurology and Other Diseases
- 04 - Radiopharmacology
- 05 - Radionuclide Chemistry and Targetry
- 06 - Multimodality Imaging Probes / Nanoparticles
- 07 - Automation / Microfluidics / Process Development
- 08 - Radiopharmaceutical Computational Chemistry
- 09 - Neutron Capture Therapy
- 10 - Miscellaneous

## Organizing Committees

### INTERNATIONAL ORGANIZING COMMITTEE

#### Honorary Chairmen

**Yuanfang Liu**

Peking University, China

**Boli Liu**

Beijing Normal University, China

#### Chairman

**Zhifang Chai**

Institute of High Energy Physics  
of CAS, China

#### Members (in alphabetical order)

**Yeorn Seong Choe** Sungkyunkwan  
University, Korea

**Taiwei Chu**

Peking University, China

**Shozo Furumoto**

Tohoku University, Japan

**Hongmei Jia**

Beijing Normal University, China

**Joo Hyun Kang**

Korea Institute of Radiological and  
Medical Sciences, Korea

**Yun-Sang Lee**

Seoul National University, Korea

**Zhifu Luo**

China Institute of Atomic Energy,  
China

**Masahiro Ono**

Kyoto University, Japan

**Fan Wang**

Peking University, China

**Huabei Zhang**

Beijing Normal University, China

**Ming-Rong Zhang**

National Institute of Radiological  
Sciences, Japan

### Kulangsu, Xiamen

### LOCAL ORGANIZING COMMITTEE

#### Chairman

**Xiaoyuan Chen** (Xiamen University)

#### Members (in alphabetical order)

**Mengchao Cui** (Beijing Normal  
University)

**Jin Du** (China Isotope and Radiation  
Corporation)

**Zijing Li** (Xiamen University)

**Ning Liu** (Sichuan University)

**Yu Liu** (Institute of High Energy Physics,  
CAS)

**Zhibo Liu** (Peking University)

**Jie Lu** (Beijing Normal University)

**Shunzhong Luo** (China Academy of  
Engineering Physics)

**Zhifu Luo** (China Institute of Atomic  
Energy)

**Hongyuan Wei** (China Academy of  
Engineering Physics)

**Minhao Xie** (Jiangsu Institute of Nuclear  
Medicine)

**Zhi Yang** (Peking University Cancer  
Hospital & Institute)

**Lan Zhang** (Shanghai Institute of  
Applied Physics, CAS)

**Jinming Zhang** (Chinese PLA General  
Hospital)

**Junbo Zhang** (Beijing Normal  
University)

**Xianzhong Zhang** (Xiamen University)

### CONFERENCE COORDINATORS

**Dr. Xianzhong Zhang**

Xiamen University, China

E-mail: zhangxzh@xmu.edu.cn

Tel/Fax: +86-592-2880645

**Dr. Yuji Kuge**

Hokkaido University, Japan

E-mail: kuge@ric.hokudai.ac.jp

**Dr. Jae Min Jeong**

Seoul National University Hosp,  
Korea

E-mail: jmjng@snu.ac.kr

### SECRETARIAT

#### Secretary General

**Xianzhong Zhang** (Xiamen  
University)

#### Secretaries

**Mengchao Cui** (Beijing Normal  
University)

**Zijing Li** (Xiamen University)

**Zhide Guo** (Xiamen University)
